

SAIG, NS IAEG a Katedra geotechniky Vás srdečne
pozývajú v piatok 28.2.2020 o 10:30 na prednášku

prof. Vassilis P. Marinos

Vice President of IAEG

Associate Professor at Aristotle University of Thessaloniki

Engineering Geologist MSc, DIC, PhD,

Engineering geological evaluation for the geotechnical
analysis and design of tunnels, with special emphasis to
tunnel behaviour appraisal.

*Examples from the geotechnical characterisation,
tunnel behaviour and support in several geological environments.*

Miesto konania: Stavebná fakulta STU Bratislava,
seminárna miestnosť B107

Vstup cez hlavný vchod z ul. I. Karvaša

(Prednáška bude v anglickom jazyku bez tlmočenia, trvanie cca 1 hod.)
